BY SIGNING THE LINE BELOW, I UNDERSTAND AND AGREE THAT:

- Dates for types of items accepted will vary.
- Please check the website for our payment policy, consignment schedule, and our list of acceptable and unacceptable items.
- All items MUST be in very good condition, clean, and seasonal, and will be examined before acceptance.
- You may only bring in 5 items per account, 2 accounts maximum.

Items are consigned for 45 days, which begins when the merchandise is tagged and placed on the sales floor. If merchandise sells within this period, consignors receive **40%** of the selling price. After 46 days, no commission is paid and proceeds go to The Key. Payments are made only by check, and will be mailed to you. We no longer require stamped envelopes, but will subtract \$1 from the payout to cover for postage. Consignors may reclaim their items at any time prior to the 46th day. **Checks will only be issued when your balance exceeds \$20.** It is the responsibility of the consignor to track and locate their items. Inactive accounts are closed after one year. Management has the right to terminate an account, refuse items on an account, and limit the number of accounts per household. If an item is found to be unacceptable for any reason, it may be discarded without compensation or notification to the consignor. In the event that The Key must cease operations due to the ongoing COVID-19 Pandemic, we will send you an email to the email address we have on record for you advising you of the dates and times you may pick up items that you have consigned. Items that are not picked up at these times will become property of The Key.

CARE WILL BE TAKEN TO PROTECT YOUR ITEMS. WE DO NOT REIMBURSE FOR LOST, STOLEN, OR DAMAGED ARTICLES.
